Mayon, of

Cold hearted orb that rules the night, Removes the colours from our sight. Red is grey and yellow white, But we decide which is right. And which is an illusion? Pinprick holes in a colourless sky, Let insipid figures of light pass by. The might light of ten thousand suns.

Luture Past....

Challenges infinity and is soon gone.
Night time, to some a brief interlude,
To others the fears of solitude,
Brave Helios wake up your steeds,
Bring the warmth the countryside needs,
Breathe deep the gathering gloom,
Watch lights fade from every room.
Bedsitter people look back and lament,

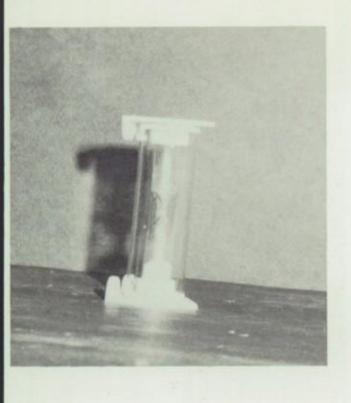

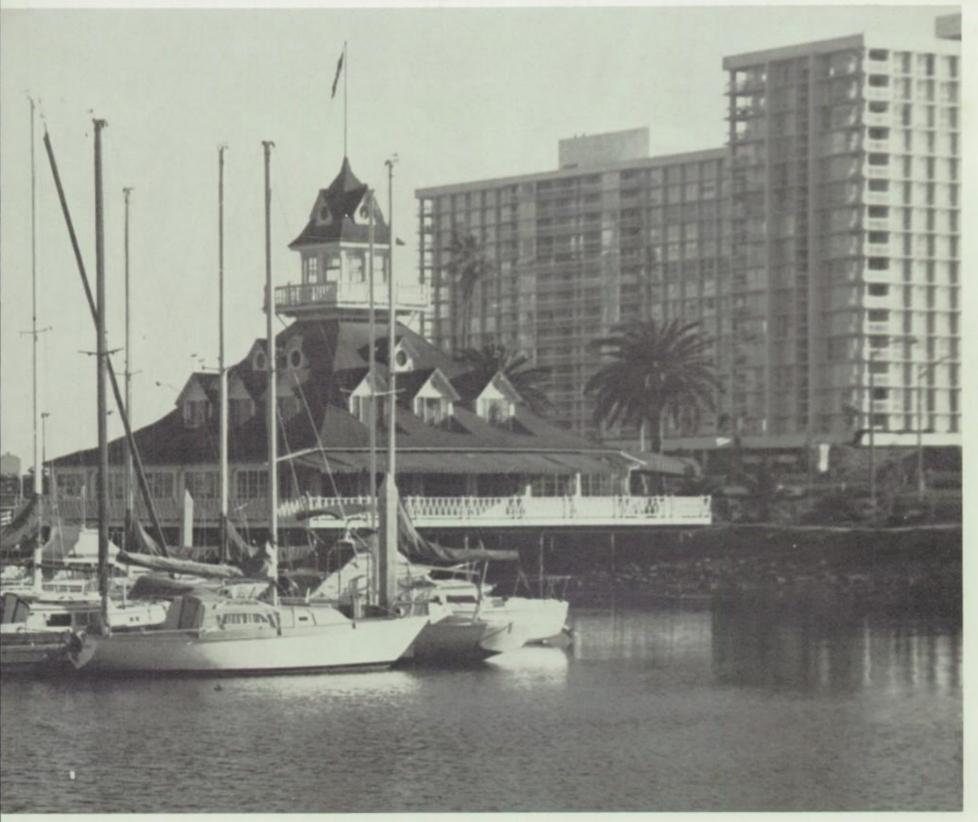

Another day's useless energy spent. Impassioned lovers wrestle as one,

Lonely man cries for love and has none.
New mother picks up and suckles her son,
Senior citizens Wish they were young,
Cold hearted orb that rules the night,
Removes the colours from our sight.
Red is grey and yellow white,

But we decide which one is right. And which is an illusion???.

Student life at Monty is very hectic. Everyone is always trying to make our school number one in everything.

Cheerleaders, always cheering our guys on to victory, the band

providing music, and the drill team always hard at practice.

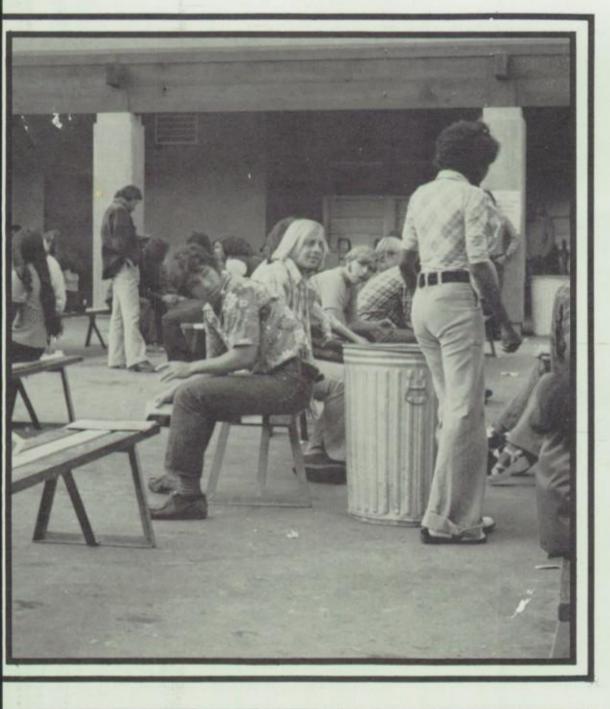

There's never a dull moment at Monty and for sure this year student life was one of the best.

The "Up With People" assembly, presented before the entire student body, on February 13, should certainly be considered as this years most interesting and enjoyable assembly. "Up With People" presented a program of song and dance, which captivated its aztec audience. The program consisted of songs such as, The Place Where I come From, What Color is God's Skin, A medley of songs from several countries which included a fiesta song, which brought faculty and students out of the audience to participate in a congo line and a Bavarian Beer song which sent the entire student body rocking to and fro in their seats. They concluded with their theme song "Up With People II", receiving a standing ovation at the end of their show.

The entire student body contributed greatly to the assembly through enthusiasm, participation, and conduct exhibited throughout the entire assembly.

### Homecoming

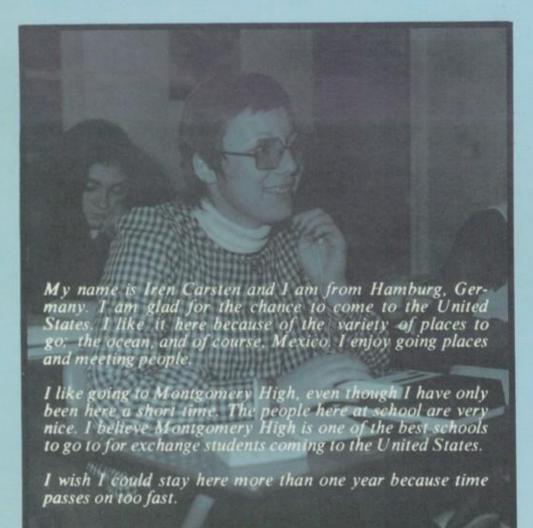

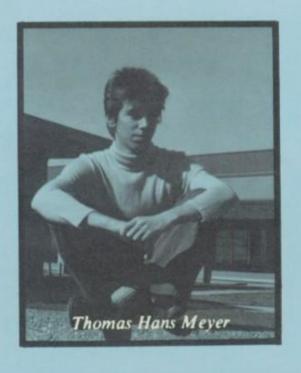

Special thanks to the ASB for organizing this years Fantastic Fall Fantasy. Also thanks to the Marching Units and to those Clubs and persons who helped make Homecoming 73 a great success.

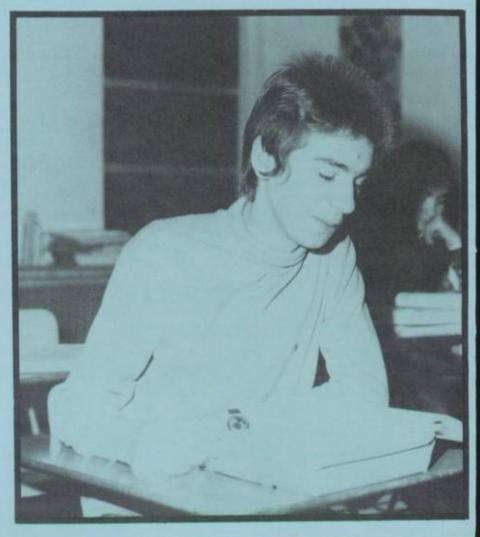

My name is Marie de Laubier and I come from Poissy, France. I am staying with the Vandwalkers. I enjoy painting and drawing, music, playing the recorder, and any kind of sports.

I like Montgomery, it's a great school because you can make friends with all kinds of people; Filipino, Hawaiian, Mexican, and Blacks. The school has so many activities like; basketball, football, soccer, clubs, and many other activities.

I like San Diego because there are a lot places to visit. WOW! It's terrific here!

Francoise Surber is 18 and comes from Switzerland. She lives with the Hurley family.

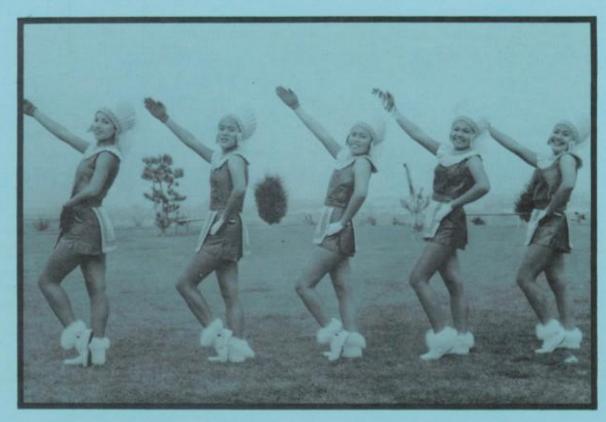

Francoise enjoys; hiking through the mountains, riding horses, swimming, water skiing and snow skiing, writing and reading, and crafts.

This year the fine Las Aztecas drill team impressed audiences everywhere. They started the year by marching in the annual Fiesta De La Luna Parade.

While also doing football half-time shows the Las Aztecas had hard competition parades to attend.

Their first parade was at the Chaffey Band Review in Ontario, Calif. where Capt. Lori Randell, led the team to a sweepstakes trophy over the Castle Park Trojanettes. They also took 5th place at the Calif. Band Review in Santa Ana.

Their biggest performance was at the annual Sweetwater District Band Pageant where all the Aztec marching units got a standing ovation. This just goes to prove that all those long hours of practice pays off when you bring home a trophy.

# Montgomery upsets Mariners

It was said just a short year or two ago that Montgomery High would be the basketball school of the future. No date, mind you, was given when the success would begin, however.

The Aztecs suffered through a disasterous season last year, but the club looked to this year as being "the season." Up to yesterday it wasn't a Montgomery season that would be one to remember.

Through nine games, brand spanking new coach Jim Finnerty did almost everything possible to get an attack going. It seemed nothing worked. The Aztecs lost eight of the nine, several a sing lopsided defeats that puzzled the new head man.

He's beginning to put the pieces of that puzzle together now, and if yesterday's 69-62 upset victory over rival Mar Vista in the final round of the Baron-Optimist Tourney at Southwestern had anything to do with the Aztec future, it has to be considered bright.

"We're just now starting to come," says Finnerty. "We've learned some things in our past games and we're taking films that help too. Right now is the time when you want to get going—right before league."

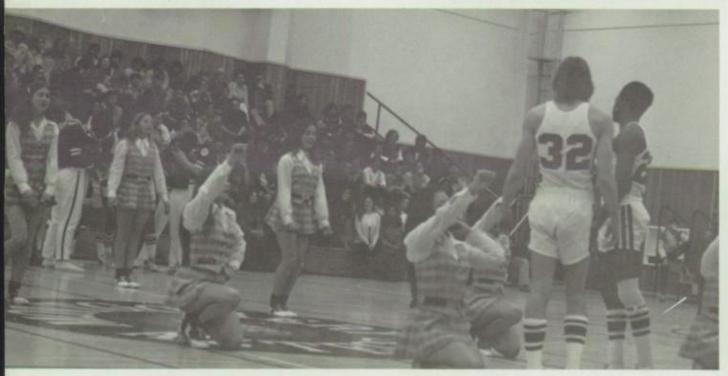

It was the trio of Rudy and Roland Stallworth and guard Dana Rhodes that spearheaded an Aztec assault that Rhodes, on the other hand, was the biggest Montgomery bright spot of the season. He took control of the game both offensively and defensively and finished with 19 markers, including several key jumpers.

"Rhodes is the guy who can make us go," the coach explained. "When he plays well, I feel the team will play well. We need good scoring from our guards the loss Mar Vista ends up fourteenth and will take a 3-7 record into league play next week.

Chula Vista's Spartans, playing their best basketball of the saason, recording big wins over Montgomery and San Dieguito, played later yesterday for the Consolation championship.

The Spartans, behind the 23 point

# Aztecs, 57-54, in overtime

54 edge, the score which eventually stood up for the victory.

Up to that disastrous fourth quarter, the Aztecs had been easing along in a contest which had all the earmarks of anything but a basketball game.

It is very difficult to win a championship in any sport event. Especially when the entire competition is of championship caliber. To win a championship in consecutive years is perhaps the hardest achievement of any team endeavor.

Time to look into the future for today will be memories of our senior year. And perhaps even the end of the beginning.

Our junior year: A year of happiness A year of life and laughter And now today a year of Dreams . . . Visions . . . But now a reality . . .

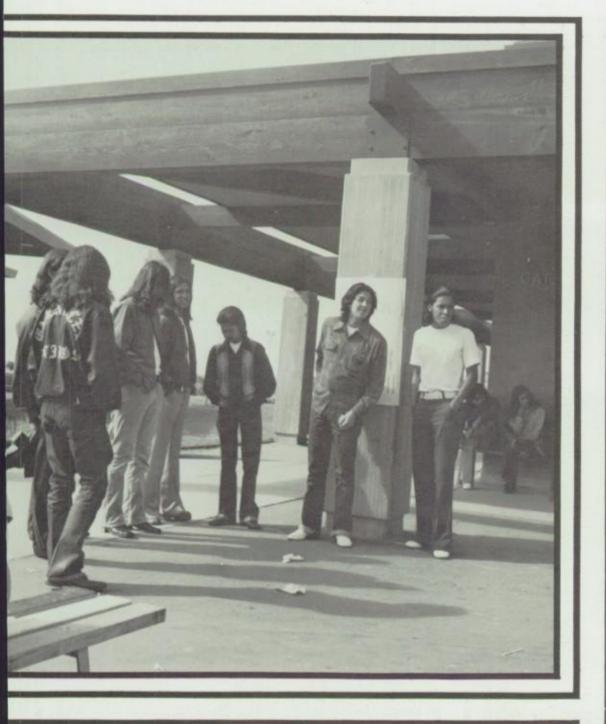

Sophomores, graduating into a new world. Learning and living from day to day, yet in our hearts we have this key for tomorrow. We hold it with pride, for this key unlocks the future. Which today has prepared us to open.

## FINGS

The many talents of the students here at Montgomery are worth being recognized. The Tonalamatl Staff takes great pleasure in presenting to you the Fine Arts of Montgomery High.

"All the arts are brothers; each one is a light to the others." Voltaire

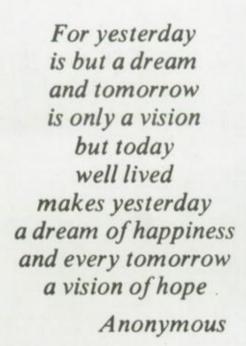

Memories...

forever imprinted
on our minds.

## As we look back to the years here at Montgomery we remember the teachers and counselors.

They taught us, listened to us, helped us, and sometimes bothered us- but we all manage to live through it. During our high school years some of us even started to believe that they are human, but will they be human in ten or fifteen years? or just another computer?

Just as there are physical laws that govern the physical universe, so are there spiritual laws which govern your relationship with God.

#### LAW ONE

GOD LOVES YOU, AND HAS A WONDERFUL PLAN FOR YOUR LIFE.

#### GOD'S LOVE

"For God so loved the world, that He gave His only begotten Son, that whosoever believes in Him should not perish, but have eternal life" (John 3:16).

#### GOD'S PLAN

(Christ speaking) "I came that they might have life, and might have it abundantly" (that it might be full and meaningful) (John 10:10).

Why is it that most people are not experiencing the abundant life?

#### LAW TWO

MAN IS SINFUL AND SEPARATED FROM GOD, THUS HE CANNOT KNOW AND EXPERIENCE GOD'S LOVE AND PLAN FOR HIS LIFE.

#### MAN IS SINFUL

"For all have sinned and fall short of the glory of God" (Romans 3:23).

Man was created to have fellowship with God; but, because of his own stubborn self-will, he chose to go his own independent way and fellowship with God was broken. This self-will, characterized by an attitude of active rebellion or passive indifference, is an evidence of what the Bible calls sin.

#### MAN IS SEPARATED

"For the wages of sin is death" (spiritual separation from God) (Romans 6:23).

God is holy and man is sinful. A great chasm separates the two. Men are continually trying to reach God and the abundant life through their own efforts: good life, ethics, philosophy, etc.

The Third Law gives us the only answer to this dilemma . . .

#### LAW THREE

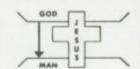

JESUS CHRIST IS GOD'S ONLY PROVISION FOR MAN'S SIN. THROUGH HIM YOU CAN KNOW AND EXPERIENCE GOD'S LOVE AND PLAN FOR YOUR LIFE.

#### HE DIED IN OUR PLACE

"But God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us" (Roman's 5:8).

#### HE ROSE FROM THE DEAD

"Christ died for our sins . . . He was buried . . . He was raised on the third day according to the scriptures . . . He appeared to Cephas, then to the twelve. After that He appeared to more than five hundred . . ." (I Corinthians 15:3-6).

#### HE IS THE ONLY WAY

"Jesus said to him, 'I am the way, and the truth, and the life; no one comes to the Father, but through Me'" (John 14:6).

God has bridged the chasm which separates us from Him by sending His Son, Jesus Christ, to die on the cross in our place.

It is not enough to know these three laws, nor even to give intellectual assent to them . . .

#### LAW FOUR

WE MUST INDIVIDUALLY RECEIVE JESUS CHRIST AS SAVIOR AND LORD; THEN WE CAN KNOW AND EX-PERIENCE GOD'S LOVE AND PLAN FOR OUR LIVES.

#### WE MUST RECEIVE CHRIST

"But as many as received Him, to them He gave the right to become children of God, even to those who believe in His name" (John 1:12).

#### WE RECEIVE CHRIST THROUGH FAITH

"For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works, that no one should boast" (Ephesians 2:8,9).

#### WE RECEIVE CHRIST BY PERSONAL INVITATION

"Behold, I stand at the door and knock; if any one hears My voice and opens the door, I will come in to him" (Revelation 3:20). Receiving Christ involves turning to God from self, trusting Christ to come into our lives, to forgive our sins and make us what He wants us to be. It is not enough to give intellectual assent to His claims or to have emotional experience.

THESE TWO CIRCLES REPRESENT TWO KINDS OF LIVES:

#### SELF-CONTROLLED LIFE

- E Ego or finite self on the throne
- † -- Christ outside the life
- Interests controlled by self, resulting in discord and frustration

#### CHRIST CONTROLLED LIFE

- † Christ on the throne of the life
- Interests under control of Infinite God, resulting in harmony and purpose
- E Ego Self dethroned

Which circle represents your life? Which circle would you like to have represent your life? The following explainshow you can receive Christ:

#### YOU CAN RECEIVE CHRIST RIGHT NOW THROUGH PRAYER (Prayer is talking with God)

God knows your heart and is not so concerned with your words as He is with the attitude of your heart. The following is a suggested prayer:

"Lord Jesus, I need You. I open the door of my life and receive You as my Savior and Lord. Thank You for forgiving my sins. Take control of the throne of my life. Make me the kind of person You want me to be."

Does this prayer express the desire of your heart?
If it does, pray this prayer right now, and Christ will come into your life, as He promised.

Time flies and draws us with it.

Each experience lasts only a short time - then it is gone. But we will have memories, not regrets, of our days together.

This time has been a discovery of working with others.

It proved to us that we can learn from another. For this year and its memories will never die. In our hearts, today will last forever.

Thanks to everyone at montgomery for the best three years of my life, a special thanks to the Annual staff and the A.S.B. also to Mr. Parr and Doc Elliott.

See you all around expecially Carla and Pam.

## The Memory

I watched the child upon the strand, Her face with ecstasy alight, Holding within her small cupped hand A treasure for her heart's delight.

The lapping waves, the sea gulls play Far out, the oceans rise and swell, The golden wonder of the day, She captured in one fragile shell.

## of Childhood

I wonder
if my drawing
will be as good as theirs.
I wonder
if they'll like me
or just be full of stares.
I wonder
if my teacher
will look like Mom or
Gram.

I wonder
if my puppy
will wonder
where I am.

By Aileen Fisher

Know you what it is
to be a child?...
To see a world in
a grain of sand,
Heaven in a wild flower,
To hold infinity in
the palm of your hand,
And Eternity in an hour.

**Future** 

No man is an island
No man stands alone.
Each man's joy is joy to me
Each man's fears are my own
We need one another
So I will defend
Each man as my brother
Each man as my friend.
